Elden Ring Features Key:

Create a Complete Playable Character: Dress up your characters in a variety of uniforms and armor.

Enter an Epic Drama of Vast Worlds and Intersecting Planes: In the Lands Between, discover the great story of the Elden Ring. As a heavy gemstone is discovered, the mysterious lands become filled with conflict between the politics of the world above and violent, mysterious creatures called Svartalfar.

Explore a Vast World and Register the Legends: In large dungeons and other locations, you can collect legendary items and register them to obtain special abilities.

An Epic Musical Experience: A variety of musical tracks are played as you explore the large dungeons and other places.

A Game with a Vast Marketing Campaign: A lot of data from our marketing research have been passed to the developers to provide appealing graphics.

Elden Ring is scheduled for release on July 7th, 2008.

***Due to a large-scale false start of the game, we will begin the online test on September 10th, 2007, and the game on sale starting on the 10th.**

Sat, 17 Dec 2018 21:03:14 GMT Elden Ring: The land of Elden

“Sorry to keep you waiting, I’ll get to you later”...

... say the dark elves of the Timeless Lands Between.

I heard that from Cleethan, as she was excited to introduce the land of Elden to the society of mankind. As I was just a traveling adventurer, I decided to join Cleethan in her journey. As darkness looms in the distance, I determined to walk confidently with her through the Land Between that, so often, had made its travelers tremble.

Above the flat plain, there is a broad mountain range, its peaks hidden in the darkness of day. The range is comprised of many valleys that span in all directions, with few exceptions. The exception is the valley where you are at right now, for here, the tranquil mountains give way to a collection of five tribes, each with one of five color-coded cliffs.

Everywhere else, cliffs tower, with the white cliffs serving as the boundary of the Elden Ring. The Cliffs serve as defensive fortresses, residences, stockpiles of valuable resources, or militant tribes; they are the towering citadels of the natives of

Hello again and welcome to Elden Ring, the latest fantasy action RPG by the team that made Star Ocean.

Founded from the Star Ocean 5 PlayStation 2 game, Elden Ring has gone through many iterations as the development team wanted to create something that truly did it's name justice. Elden Ring takes place in the 'Lands Between', a wide, flat world, where seven different technological cultures and tribes live. It has been two years since the Titans have been defeated and peace has settled over the lands. Adventurers are now showing up, with their wanderings leading them to the Lands Between, leaving the safe wonders of the known world be forever lost to them. In typical RPG fashion, they journey for treasures, quests and the simple quest of simply surviving.

The Lands Between have all the diversity and wonder of the world, but also have the dangers that come with an independent world. Touring the Lands Between won't be easy, and while you begin the game on a safe ranch in the northern part of the Lands Between, it isn't until you head west that you'll really begin to feel the world around you. You'll encounter monsters and a skill learning system that isn't always that easy.

**Elden Ring starts you out with a few items and a clumsy disposition.
The choice of skills**

System Requirements:

OS: Windows Vista, Windows 7, Windows 8, Windows 10 CPU: 2.0 GHz Dual Core processor or faster
RAM: 2 GB or more Video: NVIDIA GeForce 8400 or higher, Intel HD 4000 or higher DirectX: Version 9.0
