Create Apple iPhone
Ringtone Tones
Easily Tipard iPhone
Ringtone Maker Free
Download is
designed to make
the iPhone ringtone
making process
much easier. You can

use this software to make iPhone ringtones from audio and video files with one click. This software enables you to make your own ringtone anytime and anywhere. Simply load your audio and video files into the software and get ready for the magic! With Tipard iPhone Ringtone Maker, you do not need to load

audio or video files into third party software. You can take care of your files in Tipard iPhone Ringtone Maker. And once they are loaded into the program, you can easily create ringtones with one click. Easy to use! So you want to make your own ringtone? Well, with Tipard iPhone Ringtone Maker, all you need

is a video or audio file and a computer. You can also use it to convert DVDs and convert videos to Apple iPhone video format. An intuitive interface! Tipard iPhone Ringtone Maker features an intuitive interface and has all the functions that you need to make your own ringtone. You can choose the start

and end time of your ringtone with a precise click. There is also a duration time setting to create a perfect ringtone for every playback. You can change the volume level of the files by setting the start volume and end volume for each file separately. A trimming function is provided for every file to create

ringtones from specific parts of the video or audio file.

Convert DVD to Apple iPhone video files. Tipard iPhone

7/8. Bathtal Chorale

Opens Christmas Concert with New Collective The Bathal Chorale, at least for the next few days, will have a new group of singers. The 120-voice ensemble is a bright spot in the local music scene. The choir, which plays classical and jazz as well as Christmas music, opens its third concert season at 4

p.m. Saturday, at St. Barnabas Church in Ashton, with a concert of Christmas music. “It’s the Christmas concert that has
